

Tanglewood Christian Camp Employment Application

Please circle the time period that you are applying for – (remember that I am depending on you to be here the whole time campers or renters are scheduled. I expect you to be here unless some unknown reason comes up.)

June only

July only

Both June and July

Please read and fully understand that you will be asked to live at the camp 24/7 during your time. Camp staff is one of the hardest, yet most rewarding jobs you will ever have. This job is not for everyone. You must exemplify the core values of the summer staff program in all areas of your life, whether on camp or off. These values are not things you can possess or have already attained. Instead, they are calls to action. There is no clearer way to say it than we work hard. Early mornings, late nights, rec sites, cleaning dorms, helping prepare meals and serving them. You will be lifeguard and kitchen help. You are free to partake in worship and mingle with campers and sponsors during your down time. Camp life is hard. We are team players and please take initiative to help out whenever it is needed. We maintain an optimistic and positive attitude as we serve guests and each other. There will be times when you are tired, frustrated, and ready to call it quits. Even during these times, you are expected to represent Christ well. You will be fed and housed and paid a weekly salary to be determined at time of employment.
